MEMORANDUM FOR: Committee on Overhead Reconnaissance

SUBJECT: Capability of Satellite Reconnaissance  
to Meet Photographic Requirements of Cuba

1. The attached document was prepared by COMOR at its meeting on 21 October. It is distributed with the understanding that by the close of business 23 October, Friday, each participating agency will report its concurrence or correction to the office of the Chairman. In the event there is no substantive issue, the Chairman will then proceed to issue the paper as a COMOR-approved document and as a memorandum to the United States Intelligence Board with delivery planned for Monday morning. In the event there are substantive disagreements, the Chairman will call a special meeting on Saturday.

2. Members will note that all the tabs to the attachment are not included since each member will have his own copy for current reference. The tabs would, however, be included in the final document.
